

Merchandize Return Label

Return Instruction:

Return shipment is at customer expense and must include all contents and parts that come with the product and packed in the original package or proper package to avoid damage during shipment. The shipment should be insured for possible damage or loss, and must be accompanied by the original proof of purchase. Fill in the customer return information below and fold the line below. Place the label into the shipping transparent envelop or by tape and make sure the return address is viewable by shipper. Use a carrier providing tracking service and ship the merchandize.
